SUBJECT INDEX*

A

Aged
Alternatives for the pharmacologic management of urge and stress urinary incontinence in the elderly (Ghoniem and Hassouna). 1997;24:311-8
The effect of bladder training on urinary incontinence in community-dwelling older women (Publicover and Bear). 1997;24:319-24
Home-based management of urinary incontinence: a pilot study with both frail and independent elders (Bear et al). 1997;24:163-71

Anus
Stricture and pouchitis after ileal pouch–anal anastomosis (Jacobson). 1997;24:295-301

Awards
1996 Gladys Frey Student Manuscript Award. 1997;24:254
The 1996 Publisher's Manuscript Award. 1997;24:253

B

Balloon dilatation
Clinical experience with a balloon-tipped urethral insert for stress urinary incontinence (Gallo et al). 1997;24:51-7

Bandages
Compression therapy and venous ulcerations: another point of view (Reichardt). 1997;24:180 (Letter)
Wet, dry, or damp? (Mong). 1997;24:190 (Letter)

Beds
Effects of a pressure-reduction mattress and staff education on the incidence of nosocomial pressure ulcers (Boettger). 1997;24:19-25

Behavior therapy
The effect of bladder training on urinary incontinence in community-dwelling older women (Publicover and Bear). 1997;24:319-24

Biofeedback
Biofeedback reeducation in gracilis muscle transposition after rectal trauma: a case presentation (Woolner). 1997;24:38-50

Bites and stings
Brown recluse spider bite: a case study (Smith et al). 1997;24:137-43

Bladder
The effect of bladder training on urinary incontinence in community-dwelling older women (Publicover and Bear). 1997;24:319-24

Bleeding: *see* **Hemorrhage**

Board certification: *see* **Certification**

Book reviews
In review. 1997;24:288, 330

Brown recluse spider: *see* **Spiders**

C

Callus
Patient with dystrophic toenails, calluses, and heel fissures (Kelechi and Lukacs). 1997;24:237-42 (Options in practice)

Caput medusae
Patient with jejunostomy, caput medusae, and bleeding peristomal varices (Hanlon and Loehner). 1997;24:123-5 (Options in practice)

CareMap
Managing skin care with the CareMap system (Hill et al). 1997;24:26-37

Certification
The added value of board certification status (Bryant). 1997;24:127 (Pres. message)
Reflections of certified wound care nurse (Crumbley). 1997;24:189-90 (Letter)

Cervical collar
Patient with occipital pressure ulcer requiring continued cervical collar use (Murphy). 1997;24:58-60 (Options in practice)

Childbirth: *see* **Labor**

Clean technique
My two cents on the issue of clean versus sterile wound care (Krasner). 1997;24:126 (Letter)
Sterile versus clean technique in postoperative wound care of patients with open surgical wounds: a pilot study (Stotts et al). 1997;24:10-8
Two cents more on the issue of clean versus sterile wound care (Krasner). 1997;24:294 (Letter)
You say sterile and I *still* say not: a response to my colleague's letter to the editor (Faller). 1997;24:180 (Letter)

Clinical pathways
Development and implementation of a clinical pathway for radical cystectomy and urinary system reconstruction (Golden and Ratliff). 1997;24:72-8
The development and implementation of an integrated multidisciplinary clinical pathway (Ramos and Ratliff). 1997;24:66-71
The path to a clinical pathway: collaborative care for the patient with an ostomy (Lovejoy et al). 1997;24:200-18

Clothing
Patient satisfaction with a reusable undergarment for urinary incontinence (Gallo and Staskin). 1997;24:226-36

Colostomy
The pursuit of colostomy continence (Roberts). 1997;24:92-7

Communication
Connected to the future (Colwell). 1997;24:4-5 (Guest editorial)
The transition from radio to television and its implications for WOC nursing (Gray). 1997;24:2-3 (Editorial)

*January, pp. 1-60; March, pp. 61-126; May, pp. 127-180; July, pp. 181-242; September, pp. 243-288; November, pp. 289-340.

Using technology to enhance information sharing (Bryant). 1997;24:1 (Pres. message)
Compression therapy; *see* **Bandages**
Computers
The care and feeding of a web page: a call for case discussions (Gray). 1997;24:128-31 (Editorial)
Connected to the future (Colwell). 1997;24:4-5 (Guest editorial)
The transition from radio to television and its implications for WOC nursing (Gray). 1997;24:2-3 (Editorial)
Concept formation
Mrya E. Levine: a theoretic basis for ET nursing (Neswick). 1997;24:6-9
Conferences
Conference for prevention of incontinence (Wells). 1997;24:293 (Guest editorial)
Constipation
Patient with constipation requiring a bowel management program (Bisanz et al). 1997;24:325-9 (Options in practice)
Continuous quality improvement; *see* **Quality control**
Costs and cost analysis
The societal burden of incontinence: even greater than we thought (Krissovich). 1997;24:179 (Letter)
Cultural factors
The significance of culture in the care of the client with an ostomy (Zoucha and Zamarripa). 1997;24:270-6
Cystectomy
Development and implementation of a clinical pathway for radical cystectomy and urinary system reconstruction (Golden and Ratliff). 1997;24:72-8

D

Decubitus ulcer
Effects of a pressure-reduction mattress and staff education on the incidence of nosocomial pressure ulcers (Boettger). 1997;24:19-25
Patient with occipital pressure ulcer requiring continued cervical collar use (Murphy). 1997;24:58-60 (Options in practice)
Practice versus knowledge when it comes to pressure ulcer prevention (Provo et al). 1997;24:265-9
Presence of pressure ulcer prevention methods used among patients considered at risk versus those considered not at risk (Pieper et al). 1997;24:191-9
Skin integrity in patients undergoing prolonged operations (Grous et al). 1997;24:86-91
Diet therapy
Patient with constipation requiring a bowel management program (Bisanz et al). 1997;24:325-9 (Options in practice)
Dressings; *see* **Bandages**
Drug therapy
Alternatives for the pharmacologic management of urge and stress urinary incontinence in the elderly (Ghoniem and Hassouna). 1997;24:311-8
Patient with constipation requiring a bowel management program (Bisanz et al). 1997;24:325-9 (Options in practice)
Dystrophic toenails; *see* **Nail diseases**

E

Editorials; *see also* **Guest editorials**
Bridging the gap from bench to bedside in wound care (Gray and Wysocki). 1997;24:62-5
The demand for evidence-based practice (Gray). 1997;24:291-2
Keeping the focus on specialty nursing practice (Gray). 1997;24:183-4
The transition from radio to television and its implications for WOC nursing (Gray). 1997;24:2-3
Education, nursing
The added value of board certification status (Bryant). 1997;24:127 (Pres. message)
Effects of a pressure-reduction mattress and staff education on the incidence of nosocomial pressure ulcers (Boettger). 1997;24:19-25
Reflections of certified wound care nurse (Crumbley). 1997;24:189-90 (Letter)
Ethiopia
The treatment of rectovaginal and vesicovaginal fistulas in women with childbirth injuries in Ethiopia (Hamlin and Turnbull). 1997;24:187-9 (Letter)
Ethnic factors
The significance of culture in the care of the client with an ostomy (Zoucha and Zamarripa). 1997;24:270-6
Evidence-based practice
The demand for evidence-based practice (Gray). 1997;24:291-2 (Editorial)
Exercise
Treatment of erectile dysfunction: Can pelvic muscle exercises improve sexual function? (Ballard). 1997;24:255-64
Eye
Improving stoma management in the low-vision patient (Jeffres and MacKay). 1997;24:302-10

F

Fecal incontinence
Biofeedback reeducation in gracilis muscle transposition after rectal trauma: a case presentation (Woolner). 1997;24:38-50
Fecal incontinence: evaluation and treatment (Jensen). 1997;24:277-82
The pursuit of colostomy continence (Roberts). 1997;24:92-7
The treatment of rectovaginal and vesicovaginal fistulas in women with childbirth injuries in Ethiopia (Hamlin and Turnbull). 1997;24:187-9 (Letter)
First International Conference for the Prevention of Incontinence
Conference for prevention of incontinence (Wells). 1997;24:293 (Guest editorial)
Fistula
Treatment of a patient with an enterocutaneous fistula after emergency surgery (Wessel and Cleary). 1997;24:283-7 (Options in practice)
The treatment of rectovaginal and vesicovaginal fistulas in women with childbirth injuries in Ethiopia (Hamlin and Turnbull). 1997;24:187-9 (Letter)
Foot
Patient with dystrophic toenails, calluses, and heel fissures (Kelechi and Lukacs). 1997;24:237-42 (Options in practice)

G

Gladys Frey Student Manuscript Award
1996 Gladys Frey Student Manuscript Award. 1997;24:254 (Awards)
Gloves, surgical
Nursing wound care survey: sterile and nonsterile glove choice (Wise et al). 1997;24:144-50
Gracilis muscle
Biofeedback reeducation in gracilis muscle transposition after rectal trauma: a case presentation (Woolner). 1997;24:38-50
Guest editorials; *see also* **Editorials**
Conference for prevention of incontinence (Wells). 1997;24:293
Connected to the future (Colwell). 1997;24:4-5
To touch a patient (Wright). 1997;24:185-6
Guidelines
Managing skin care with the CareMap system (Hill et al). 1997;24:26-37

H

Heel
Patient with dystrophic toenails, calluses, and heel fissures (Kelechi and Lukacs). 1997;24:237-42 (Options in practice)
Hemorrhage
Patient with jejunostomy, caput medusae, and bleeding

peristomal varices (Hanlon and Loehner). 1997;24:123-5 (Options in practice)

Historical articles
A historical review of selected nursing and medical literature on urinary incontinence between 1850 and 1976 (Moore and Paul). 1997;24:106-22

Home care
Home-based management of urinary incontinence: a pilot study with both frail and independent elders (Bear et al). 1997;24:163-71
There's no place like home (Cullen). 1997;24:289-90 (Pres. message)

Human experimentation
Participation of human subjects in studies (Whitney). 1997;24:165 (Notes on methodology)

I

Ileal pouch-anal anastomosis
Stricture and pouchitis after ileal pouch-anal anastomosis (Jacobson). 1997;24:295-301

In memoriam
A legend in ET nursing: a tribute to the memory of Ruth Kules, RN, CETN (O'Connor). 1997;24:179 (Letter)

In review
In review. 1997;24:288, 330

Incontinence pads
Improving the performance of small incontinence pads: a study of "wet comfort" (Thornburn et al). 1997;24:219-25

Infection control
My two cents on the issue of clean versus sterile wound care (Krasner). 1997;24:126 (Letter)
Nursing wound care survey: sterile and nonsterile glove choice (Wise et al). 1997;24:144-50
Sterile versus clean technique in postoperative wound care of patients with open surgical wounds: a pilot study (Stotts et al). 1997;24:10-8
Two cents more on the issue of clean versus sterile wound care (Krasner). 1997;24:294 (Letter)
You say sterile and I *still* say not: a response to my colleague's letter to the editor (Faller). 1997;24:180 (Letter)

Information sharing: *see* **Communication**

Informed consent
Participation of human subjects in studies (Whitney). 1997;24:165 (Notes on methodology)

Insect bites and stings
Brown recluse spider bite: a case study (Smith et al). 1997;24:137-43

Internet
The care and feeding of a web page: a call for case discussions (Gray). 1997;24:128-31 (Editorial)
Connected to the future (Colwell). 1997;24:4-5 (Guest editorial)
The transition from radio to television and its implications for WOC nursing (Gray). 1997;24:2-3 (Editorial)

Intestinal fistula
Treatment of a patient with an enterocutaneous fistula after emergency surgery (Wessel and Cleary). 1997;24:283-7 (Options in practice)

J

Jejunostomy
Patient with jejunostomy, caput medusae, and bleeding peristomal varices (Hanlon and Loehner). 1997;24:123-5 (Options in practice)

Journal of WOCN
The care and feeding of a web page: a call for case discussions (Gray). 1997;24:128-31 (Editorial)
The transition from radio to television and its implications for WOC nursing (Gray). 1997;24:2-3 (Editorial)
WOCN and the Wound Healing Society: collaboration for wound care (Bryant). 1997;24:61 (Pres. message)

K

Kules, Ruth
A legend in ET nursing: a tribute to the memory of Ruth Kules, RN, CETN (O'Connor). 1997;24:179 (Letter)

L

Labor
Pregnancy, delivery, and postpartum experiences of fifty-four women with ostomies (Van Horn and Barrett). 1997;24:151-62
The treatment of rectovaginal and vesicovaginal fistulas in women with childbirth injuries in Ethiopia (Hamlin and Turnbull). 1997;24:187-9 (Letter)

Laboratories
Bridging the gap from bench to bedside in wound care (Gray and Wysocki). 1997;24:62-5 (Editorial)

Letters to the editor
Letters. 1997;24:126, 179-80, 187-90, 252, 294

Low vision: *see* **Vision disorders**

M

Managed care programs
The societal burden of incontinence: even greater than we thought (Krissovich). 1997;24:179 (Letter)

Mann-Whitney *U* Test
Testing for differences with the nonparametric Mann-Whitney *U* Test (Whitney). 1997;24:12 (Notes on methodology)

Mattresses: *see* **Beds**

Mexican Americans
The significance of culture in the care of the client with an ostomy (Zoucha and Zamarripa). 1997;24:270-6

Models, theoretic
Mrya E. Levine: a theoretic basis for ET nursing (Neswick). 1997;24:6-9

Mouth
Oral care and its role in WOC nursing (Aronovitch). 1997;24:79-85

Muscle contraction
Fecal incontinence: evaluation and treatment (Jensen). 1997;24:277-82
Pelvic muscle rehabilitation: Where do we go from here? (Palmer). 1997;24:98-105
Treatment of erectile dysfunction: Can pelvic muscle exercises improve sexual function? (Ballard). 1997;24:255-64

N

Nail diseases
Patient with dystrophic toenails, calluses, and heel fissures (Kelechi and Lukacs). 1997;24:237-42 (Options in practice)

Notes on methodology
Participation of human subjects in studies (Whitney). 1997;24:165
Testing for differences with the nonparametric Mann-Whitney *U* Test (Whitney). 1997;24:12

Nurse Healers-Professional Associates
Further information on Therapeutic Touch (Ziegler). 1997;24:294 (Letter)

Nursing
Pioneering for care: the clarion call for nursing (Iselin). 1997;24:252 (Letter)

Nursing specialties: *see* **Specialties, nursing**

O

Obituary
A legend in ET nursing: a tribute to the memory of Ruth Kules, RN, CETN (O'Connor). 1997;24:179 (Letter)

Occipital bone
Patient with occipital pressure ulcer requiring continued cervical collar use (Murphy). 1997;24:58-60 (Options in practice)

Operations; *see* **Surgery**
Options in practice
Options in practice. 1997;24:123-5, 237-42, 283-7
Oral hygiene
Oral care and its role in WOC nursing (Aronovitch). 1997;24:79-85
Ostomy
Improving stoma management in the low-vision patient (Jeffres and MacKay). 1997;24:302-10
The path to a clinical pathway: collaborative care for the patient with an ostomy (Lovejoy et al). 1997;24:200-18
Patient with jejunostomy, caput medusae, and bleeding peristomal varices (Hanlon and Loehner). 1997;24:123-5 (Options in practice)
Pregnancy, delivery, and postpartum experiences of fifty-four women with ostomies (Van Horn and Barrett). 1997;24:151-62
The pursuit of colostomy continence (Roberts). 1997;24:92-7
The significance of culture in the care of the client with an ostomy (Zoucha and Zamarripa). 1997;24:270-6
Stricture and pouchitis after ileal pouch-anal anastomosis (Jacobson). 1997;24:295-301

P

Pathways
Development and implementation of a clinical pathway for radical cystectomy and urinary system reconstruction (Golden and Ratliff). 1997;24:72-8
The development and implementation of an integrated multidisciplinary clinical pathway (Ramos and Ratliff). 1997;24:66-71
The path to a clinical pathway: collaborative care for the patient with an ostomy (Lovejoy et al). 1997;24:200-18
Patient satisfaction
Improving the performance of small incontinence pads: a study of "wet comfort" (Thornburn et al). 1997;24:219-25
Patient satisfaction with a reusable undergarment for urinary incontinence (Gallo and Staskin). 1997;24:226-36
Patient-focused care
Surviving redesign: basic concepts of patient-focused care and their application to WOC nursing (Gallagher). 1997;24:132-6
Pelvis
Fecal incontinence: evaluation and treatment (Jensen). 1997;24:277-82
Pelvic muscle rehabilitation: Where do we go from here? (Palmer). 1997;24:98-105
Treatment of erectile dysfunction: Can pelvic muscle exercises improve sexual function? (Ballard). 1997;24:255-64
Penile erection
Treatment of erectile dysfunction: Can pelvic muscle exercises improve sexual function? (Ballard). 1997;24:255-64
Position statement
A position statement on 'An Association of ET Nurses' (Mid-Atlantic Regional Leadership of the WOCN). 1997;24:252 (Letter)
Postoperative care
Sterile versus clean technique in postoperative wound care of patients with open surgical wounds: a pilot study (Stotts et al). 1997;24:10-8
Postpartum period; *see* **Puerperium**
Pregnancy
Pregnancy, delivery, and postpartum experiences of fifty-four women with ostomies (Van Horn and Barrett). 1997;24:151-62
President's message
The added value of board certification status (Bryant). 1997;24:127
Come along for the ride (Cullen). 1997;24:243-4
Retirement and opinions (Bryant). 1997;24:181-2
There's no place like home (Cullen). 1997;24:289-90
Using technology to enhance information sharing (Bryant). 1997;24:1
WOCN and the Wound Healing Society: collaboration for wound care (Bryant). 1997;24:61
Pressure ulcer; *see* **Decubitus ulcer**
Publisher's Manuscript Award
The 1996 Publisher's Manuscript Award. 1997;24:253
Puerperium
Pregnancy, delivery, and postpartum experiences of fifty-four women with ostomies (Van Horn and Barrett). 1997;24:151-62

Q

Quality control
The development and implementation of an integrated multidisciplinary clinical pathway (Ramos and Ratliff). 1997;24:66-71
Surviving redesign: basic concepts of patient-focused care and their application to WOC nursing (Gallagher). 1997;24:132-6

R

Radical cystectomy; *see* **Cystectomy**
Radio
The transition from radio to television and its implications for WOC nursing (Gray). 1997;24:2-3 (Editorial)
Rectovaginal fistula
The treatment of rectovaginal and vesicovaginal fistulas in women with childbirth injuries in Ethiopia (Hamlin and Turnbull). 1997;24:187-9 (Letter)
Rectum, injuries
Biofeedback reeducation in gracilis muscle transposition after rectal trauma: a case presentation (Woolner). 1997;24:38-50
Research
Bridging the gap from bench to bedside in wound care (Gray and Wysocki). 1997;24:62-5 (Editorial)
The demand for evidence-based practice (Gray). 1997;24:291-2 (Editorial)
Participation of human subjects in studies (Whitney). 1997;24:165 (Notes on methodology)
Residential facilities
Continence management and wound care for a patient in a residential facility (Smith and Lekan-Rutledge). 1997;24:172-8 (Options in practice)
Retirement
Retirement and opinions (Bryant). 1997;24:181-2 (Pres. message)
Risk factors
Presence of pressure ulcer prevention methods used among patients considered at risk versus those considered not at risk (Pieper et al). 1997;24:191-9

S

Sexual intercourse
Treatment of erectile dysfunction: Can pelvic muscle exercises improve sexual function? (Ballard). 1997;24:255-64
Specialties, nursing
Keeping the focus on specialty nursing practice (Gray). 1997;24:183-4 (Editorial)
To touch a patient (Wright). 1997;24:185-6 (Guest editorial)
Spiders
Brown recluse spider bite: a case study (Smith et al). 1997;24:137-43
Sterile technique
My two cents on the issue of clean versus sterile wound care (Krasner). 1997;24:126 (Letter)
Nursing wound care survey: sterile and nonsterile glove choice (Wise et al). 1997;24:144-50
Sterile versus clean technique in postoperative wound care of patients with open surgical wounds: a pilot study (Stotts et al). 1997;24:10-8
Two cents more on the issue of clean versus sterile wound care (Krasner). 1997;24:294 (Letter)

You say sterile and I *still* say not: a response to my colleague's letter to the editor (Faller). 1997;24:180 (Letter)

Stricture
Stricture and pouchitis after ileal pouch-anal anastomosis (Jacobson). 1997;24:295-301

Stoma; *see* **Ostomy**

Stress urinary incontinence; *see* **Urinary incontinence**

Surgery
Skin integrity in patients undergoing prolonged operations (Grous et al). 1997;24:86-91

Surgical wound infection
Sterile versus clean technique in postoperative wound care of patients with open surgical wounds: a pilot study (Stotts et al). 1997;24:10-8

T

Technology
Using technology to enhance information sharing (Bryant). 1997;24:1 (Pres. message)

Television
The transition from radio to television and its implications for WOC nursing (Gray). 1997;24:2-3 (Editorial)

Terminology
Wet, dry, or damp? (Mong). 1997;24:190 (Letter)

Theoretic models; *see* **Models, theoretical**

Therapeutic touch; *see* **Touch**

Toenail diseases; *see* **Nail diseases**

Touch
Further information on Therapeutic Touch (Ziegler). 1997;24:294 (Letter)

U

Undergarments; *see* **Clothing**

Urethra
Clinical experience with a balloon-tipped urethral insert for stress urinary incontinence (Gallo et al). 1997;24:51-7

Urinary incontinence
Alternatives for the pharmacologic management of urge and stress urinary incontinence in the elderly (Ghoniem and Hassouna). 1997;24:311-8
Clinical experience with a balloon-tipped urethral insert for stress urinary incontinence (Gallo et al). 1997;24:51-7
Conference for prevention of incontinence (Wells). 1997;24:293 (Guest editorial)
Continence management and wound care for a patient in a residential facility (Smith and Lekan-Rutledge). 1997;24:172-8 (Options in practice)
The effect of bladder training on urinary incontinence in community-dwelling older women (Publicover and Bear). 1997;24:319-24
A historical review of selected nursing and medical literature on urinary incontinence between 1850 and 1976 (Moore and Paul). 1997;24:106-22
Home-based management of urinary incontinence: a pilot study with both frail and independent elders (Bear et al). 1997;24:163-71
Improving the performance of small incontinence pads: a study of "wet comfort" (Thornburn et al). 1997;24:219-25
Patient satisfaction with a reusable undergarment for urinary incontinence (Gallo and Staskin). 1997;24:226-36
Pelvic muscle rehabilitation: Where do we go from here? (Palmer). 1997;24:98-105
The societal burden of incontinence: even greater than we thought (Krissovich). 1997;24:179 (Letter)
The treatment of rectovaginal and vesicovaginal fistulas in women with childbirth injuries in Ethiopia (Hamlin and Turnbull). 1997;24:187-9 (Letter)

Urinary tract
Development and implementation of a clinical pathway for radical cystectomy and urinary system reconstruction (Golden and Ratliff). 1997;24:72-8

V

Varicose ulcer
Compression therapy and venous ulcerations: another point of view (Reichardt). 1997;24:180 (Letter)

Venoms
Brown recluse spider bite: a case study (Smith et al). 1997;24:137-43

Venous ulcer; *see* **Varicose ulcer**

Vesicovaginal fistula
The treatment of rectovaginal and vesicovaginal fistulas in women with childbirth injuries in Ethiopia (Hamlin and Turnbull). 1997;24:187-9 (Letter)

Vision disorders
Improving stoma management in the low-vision patient (Jeffres and MacKay). 1997;24:302-10

Wound Healing Society
WOCN and the Wound Healing Society: collaboration for wound care (Bryant). 1997;24:61 (Pres. message)

Wounds and injuries, analysis
Bridging the gap from bench to bedside in wound care (Gray and Wysocki). 1997;24:62-5 (Editorial)

Wounds and injuries, complications
Continence management and wound care for a patient in a residential facility (Smith and Lekan-Rutledge). 1997;24:172-8 (Options in practice)

Wounds and injuries, etiology
Brown recluse spider bite: a case study (Smith et al). 1997;24:137-43

Wounds and injuries, microbiology
My two cents on the issue of clean versus sterile wound care (Krasner). 1997;24:126 (Letter)
Nursing wound care survey: sterile and nonsterile glove choice (Wise et al). 1997;24:144-50
Sterile versus clean technique in postoperative wound care

of patients with open surgical wounds: a pilot study (Stotts et al). 1997;24:10-8
Two cents more on the issue of clean versus sterile wound care (Krasner). 1997;24:294 (Letter)
You say sterile and I *still* say not: a response to my colleague's letter to the editor (Faller). 1997;24:180 (Letter)

Wounds and injuries, prevention and control

Effects of a pressure-reduction mattress and staff education on the incidence of nosocomial pressure ulcers (Boettger). 1997;24:19-25
Practice versus knowledge when it comes to pressure ulcer prevention (Provo et al). 1997;24:265-9
Presence of pressure ulcer prevention methods used among patients considered at risk versus those considered not at risk (Pieper et al). 1997;24:191-9
Skin integrity in patients undergoing prolonged operations (Grous et al). 1997;24:86-91

Wounds and injuries, psychology

The treatment of rectovaginal and vesicovaginal fistulas in women with childbirth injuries in Ethiopia (Hamlin and Turnbull). 1997;24:187-9 (Letter)

Wounds and injuries, surgery

Biofeedback reeducation in gracilis muscle transposition after rectal trauma: a case presentation (Woolner). 1997;24:38-50

Wounds and injuries, therapy

Managing skin care with the CareMap system (Hill et al). 1997;24:26-37
The treatment of rectovaginal and vesicovaginal fistulas in women with childbirth injuries in Ethiopia (Hamlin and Turnbull). 1997;24:187-9 (Letter)

BOUND VOLUMES AVAILABLE TO SUBSCRIBERS

Bound volumes of the *Journal of WOCN* are available to subscribers (only) for the 1997 issues from the Publisher, at a cost of $38.00 for domestic, $48.15 for Canadian, and $45.00 for international subscribers for Vol. 24 (January–November). Shipping charges are included. Each bound volume contains a subject and author index and all advertising is removed. Copies are shipped within 60 days after the publication of the last issue of the volume. The binding is durable buckram with the journal name, volume number, and year stamped in gold on the spine. *Payment must accompany all orders.* Contact Mosby–Year Book, Inc., Subscription Services, 11830 Westline Industrial Dr., St. Louis, MO 63146-3318, USA; phone 800-453-4351 or 314-453-4351.

Subscriptions must be in force to qualify. Bound volumes are not available in place of a regular journal subscription.
